

## WIN-WIN OFFER FOR TOPS AND ITS SUPPORTERS

TOPs is offering its supporters and ETC tennis players the opportunity to help both themselves and TOPs from a financial standpoint. The opportunity is to loan TOPs money at an interest rate higher than available at bank savings accounts and lower than TOPs is paying on its current construction loan. The terms of the loan are as follows:

- Interest rate 2.0%, approximately 1.0% higher than available at commercial banks;
- Term of loan, 4 years plus a few months, to be paid off in November 2021, the current construction loan is paid off.
- Size of loan, \$10,000 to \$300,000. Up to \$50,000 is callable by the investor, backed by a \$150,000 reserve fund currently available for this purpose
- Interest and principal payments to be made quarterly on loans of \$50,000 or more, annually on smaller loans.
- For those who view this as an emergency fund of six months or a year's living expenses, the option of interest only with the entire principal payment in November 2021, is also available.
